Dear Friends,

On behalf of the Sisters of Charity of the Blessed Virgin Mary, I wish to extend our sincere gratitude for your generosity. We are blessed to have the philanthropic support of friends and family near and far. The BVM mission is alive and thriving because of our partnership, which is changing people’s lives for the better.

We are pleased to share Perspective, our annual report to donors, with you. The following pages will recognize many of our 5,000-plus donors.

Each gift received is special! As good stewards of these resources, we have chosen to publish only those donors who have been members of one of four giving circles during this past year. A full listing of every donor appears on our website, www.bvmcong.org. I hope you enjoy reading how your gifts have made our sisters, and those we serve, living proof of what your support can do.

Like many nonprofit organizations, the Sisters of Charity, BVM have benefited from project-based fundraising campaigns using social media. Some of those special projects that you helped support are found on p. 23. Our sisters played an active role in these campaigns by starring in videos that were shared on Facebook, YouTube and Twitter. Your willingness to like and share these videos with friends allowed us to welcome many first-time donors to our organization.

We do our best to check our list for accuracy, but mistakes may be made, and your understanding is appreciated. If you notice that your name has been omitted or misspelled in our listing, please accept our apology and contact us so that we can make the necessary correction.

Again, thank you for your continued partnership with the Sisters of Charity, BVM. As always, the sisters will pray for you in gratitude during their daily prayers and Masses.

Gratefully,

Andy Schroeder
Director of Development

Director of Development Andy Schroeder was honored as “Outstanding Professional Fundraiser” at the National Philanthropy Day Awards Luncheon on Nov. 15 at the Grand River Center, Dubuque, Iowa. Andy serves on several boards in the local community. He shares, “I am proud that every day I go to work I know that I will have the ability to partner with people who are trying to make the world a better place. I love what I do and believe in it.”

The women and men listed in this report represent the deep level of support of the life and ministry of the Sisters of Charity, BVM. A cross (✝) is used to indicate that the person has died. We include their names to honor their commitment and their memory.
We cannot thank you enough for your generous support and friendship.

**Project Based Fundraising Outcomes**

**Giving Tuesday**

The Giving Tuesday project provided resources to assist in launching a MUSIC & MEMORY™ program at Mount Carmel. Funds helped to purchase portable music devices used to provide therapy to sisters in our memory care unit. Funds also enabled us to hire a music therapist to work with our resident sisters.

**Great Give Day**

The Great Give Day project received an overwhelming amount of support. Funds helped to replace a transportation vehicle with a new mini-bus, allowing more sisters, especially those with physical limitations, to participate in activities away from Mount Carmel. Anticipated arrival date of the bus is February 2018.

---

**Birdies for Charity**

Birdies for Charity® campaign funds enabled updates in the Mount Carmel Motherhouse Chapel. Funds from last year provided new lighting, and this year’s funds provided enhancements to the chapel’s audiovisual equipment. The updated sound system and new video projection system allow our sisters to use the chapel for gatherings and retreats, including one this past summer.

Welcome New Members!

by Jody Iler

The Sisters Development Network (SDN) serves as a key connection between benefactors and the Sisters of Charity of the Blessed Virgin Mary. Founded in 1987 with an original group of 11 sisters, today the SDN has 19 dedicated BVMs who assist the Office of Development. Over the past 30 years, 65 sisters have served on the SDN.

This ministry keeps our benefactors informed about congregational needs and serves as a thank you for their generous support. Even more important, the SDN maintains personal relationships with our donors, sharing their family stories and keeping them abreast of events at Mount Carmel.

Meet five BVM sisters who share their reflections as new members.

BVM Joyce Cox (Petrine) has ministered in Washington State since 1976. Now living at Mount Carmel, she shares, “It is with joy and enthusiasm that I become a new member of the Sisters Development Network. May each new day provide opportunities to touch the lives of our donors with gratitude and personal insights in their commitment to us. Joy, peace and prayer!”

“The SDN is so welcoming . . . they were the first to contact me when I arrived in Dubuque,” says Loretta HUBL, BVM, who came to Mount Carmel this year from California. “I hope I can live out my mission to be part of such a wonderful group. We are busy writing letters to donors and it pleases me that I was asked.”

Another BVM from California is Mary Anne Bradish (Leslie), now a resident and active volunteer at Mount Carmel. “It is a joy to connect with these wonderful people, some who have known BVMs for a long time,” Mary Anne says. “My monthly letter tells of some of our activities here, along with a few current Mount Carmel pictures. Some respond, telling of their lives. We have become caring prayer partners!”

“SDN gives me an opportunity to reach out to those who make it possible for BVMs to continue in ministry even as we age,” says Marjorie Heidkamp, BVM (Herberdette), who came to Mount Carmel from Chicago. “Many of these people have been the foundation of our ability to serve and carry out our mission to others for decades; some are more recent. Their generosity is an affirmation of the work we do and have done; we are partners in mission. None of us can bring about the kingdom of God without the others.”

“I feel privileged to be a member of the SDN, to be able to personally thank our donors,” says Bernadette McManigal, BVM (Lucinus), who came to Mount Carmel from Arlington, Va. “Frequently people are asked to give to an organization. Through this ministry, our donors give to persons with names and faces who respond in the name of all of us.”

BVM sisters, who helped shape the values of many of our benefactors in their formative school years, have found a special way to continue that connection as part of the SDN.

BYM Project 2016-17 Annual Report
Gratitude Fuels Decades of Support

by Jody Iler

“Go on steady and quiet . . . ” is an excerpt from a letter written by BVM Foundress Mary Frances Clarke. Though these words were addressed to her sisters, they might well describe a particular group of steadfast donors who have consistently supported the Sisters of Charity of the Blessed Virgin Mary for the past several decades.

We’d like you to meet a few members of this dedicated group of donors who share how they became acquainted with BVMs and why they continue to support our sisters through changing times and ministries.

BVMs Provide Foundation

Elizabeth Gross of Columbia, S.C., attended Holy Redeemer ES in San Francisco, where she was taught by BVMs. Over the years, Elizabeth went to grade school reunions and kept in touch with her former teachers.

“The sisters and my parents instilled in me the values of charity and helping others,” says Elizabeth. “We didn’t have a lot, but my parents were always ready to share.”

When she became a nurse and earned her own salary, Elizabeth began donating to the BVMs. “I wanted to support them,” she says. “They gave me the educational foundation and the motivation to go on to school and earn my Ph.D.”

In her career as a nurse in the military, Elizabeth taught at the Army College of Nursing, part of the University of Maryland. “I remembered the sisters who taught me,” she recalls, “and it made me realize the influence teachers have on young people.”

Did the BVMs’ changing ministries, evolving from the primary focus on education make a difference to her in her desire to be supportive? “Not at all,” says Elizabeth. “You can educate others in many ways, not just in the classroom.”

In retirement, Elizabeth continues to support the BVM sisters who have played an instrumental role in her life.

Early Vocation Leads to Lifelong Ties

As a former member of the BVM congregation for 25 years, Associate Muriel Mendonca has remained in contact with the sisters all her life. She and her husband Ron, also an associate, are active members of the Pacific Northwest Cluster group, comprised of associates and sisters who meet regularly for discussion and prayer.

“The BVM core values are part of our lives,” Muriel says. “Daily emails from the sisters keep us abreast of and involved with the community.”

Muriel and Ron live in a retirement complex in Portland, Ore., where they are involved in committees and activities. “We are fortunate to be in good health so we can give of ourselves to our retirement community and to our parish, where we are active members,” says Muriel.

Why have they remained dedicated benefactors for so many years? “We appreciate the works of the sisters and are honored to help support them over the past 40 years,” the couple shares. “It is a privilege to continue to be part of the community in this way. We treasure our friendships with the sisters and associates.”

Perhaps Mother Clarke best sums up the BVM response to faithful, long-term donors in this paraphrasing of a line from another of her letters, “We feel grateful for your great kindness and charity to us. May our dear Lord bless you for it.”

Memorial Mass

This year, 149 guests attended the Memorial Mass for deceased BVM sisters on May 7 at Mount Carmel in Dubuque, Iowa. Relatives and friends of those being memorialized joined in the Mass and dinner with resident sisters.

Join us in prayer for BVMs who died during the past year and those who have gone before them.

Each Mass featured a candle lighting ceremony. Names were read and candles lit for members of the distinguished giving society who passed away during the last year.

Mass for Benefactors

In October and November, Masses were offered at the Mount Carmel Motherhouse Chapel in Dubuque, Iowa, and at the Felician Sisters Convent in Chicago, respectively. Over 250 benefactors attended these two events. The sisters were pleased to thank their benefactors in person at these Masses.

Mount Carmel Partners

Mount Carmel Partners are those benefactors who have shown their generosity to the Sisters of Charity of the Blessed Virgin Mary with their gifts of $1,000 or more during the fiscal year Sept. 1, 2016–Aug. 31, 2017:

January has been designated by presidential proclamation as National Human Slavery and Human Trafficking Prevention Month.

BVMs join the Coalition Against Human Trafficking in Dubuque, Iowa, to promote the following initiatives:

- Placement of billboards with a message to end human trafficking and the national hotline phone number;
- Co-sponsorship of screening the film “I Am Still Here” that focuses on the deception that leads to abduction and sex slavery of a young woman in an ordinary neighborhood;
- Proclamation by the city (l.) to raise awareness of this month; and
- Daily reflection and prayer at Mount Carmel.

If you or someone you know is a victim of human trafficking, call or text the HOTLINE now: 1-888-373-7888 | text 23373.
